

CHANGE OF USE & OCCUPANCY WHAT YOU NEED TO KNOW

Linking Building Code, Land Use and Economic
Development for **Existing Buildings**

Speaker:
CHRIS KIMBALL
PE, SE, FPE, MCP, CBO

President of Building Code Solutions, Inc., and co-author of the 2021 International Building Code Handbook, Chris will tailor his training for City Administrators, Directors, Planners, and Economic Development Managers, to raise awareness of how the code affects new businesses who intend to occupy existing buildings.

📍 20010 Orange Terrace Pkwy,
Riverside, CA 92501

📅 Wednesday, November 4, 2026

🕒 **Project Impacts: 9:00am – 12:00pm**
Why is the change of use of and occupancy required?
When is it applied?
What are the implications?
(Intended for General and Planning Staff)

🕒 **Networking Lunch: 12:00pm – 1:30pm**

🕒 **Code Application: 1:30pm – 4:00pm**
How do you apply prescriptive and performance measures to comply with the code?
(Intended for Building & Safety Staff)

💰 **Cost \$85 with lunch Included**

WHY IT MATTERS

- Avoid unexpected delays
- Evaluate reuse projects more effectively
- Identify major upgrade triggers early
- Improve coordination with Building & Safety
